RESOLUTIONS OF LEWIS' BRIGADE.

CAMP LEWIS' KY., BRIGADE, Green's Cut, Ga., Feb. 11, 1865.

At a meeting of the officers and enlisted men of Lewis' Brigade Moun'ed Infantry, held at Green's Cut on Saturday, February 11th, 1865, after a statement of the object of the meeting, by Lieut-Col. Phil. Lee, of the 2d Kentucky Regiment, Lieut-Col. Geo. W. Connor of the 26th Kentucky Regiment, was appointed President, and Capt. Thos. Steel and Sergt. V. Hutchen, of the 4th Kentucky

Regiment, chosen Secretarics.

On motion of Col. Lee a committee of ten, consisting of two from each regiment was appointed to draft resolutions expressive of the sense of the meting, viz: Adjt. T. E. Mo.: and Burk, of the 20th Kentucky; V Hutchen and Jno. Marshall, of 4th Kentucky; Capt. White and Sergt. Clavton, of the 5th Kentucky: Capt. Thomas and Sergt. Winn, of the 6th Kentucky: and Lieut-Col. J. C. Wickliff and Capt. Chris. Borchi, of the 9th Ky Regiment.

On motion, Capt. Hewitt, A. A. G., was added to the committee

on resolutions

Col Lee, Col. Connor, Col. Wickliff and Lieut. Overton addressed the meeting.

Col. Wickliff, as chairman of the committee submitted the following preamble and resolutions, which were adopted without a

dissenting voice:

WHEREAS, We consider our long and arduous service in behalf of Southern independence as giving us a right to express our views and our attachments and devotions to the cause as making it our duty to speak, therefore,

1. Resolved, That we see nothing in the present aspect of affairs to justify a fear of our ultimate triumph, or any excuse for relax-

ing our efforts to conquer independence and peace.

2. Resolved, That although we have been exiles from our homes and separated from those nearest and dearest to us, for more than three years, we are not yet willing to return to our native State upon the terms Lincoln may prescribe.

3. Resolved, That we see no honorable escape from the dangers that threaten us but to boldly meet our enemy, as heretofore, in the

field.

4. Resolved, That we believe the Minnie rifle our best peace commissioner, and will never lay down our arms until we have achieved our unqualified independence.

5. Resolved, That while we heartily approve the effort of the free press fostered and cherished by our infant government in their un-

trameled expression of opinion, we, with our voice, condemn the course of those public journals who, by the publication of articles subversive of the true interest of the government, weaken the loyalty of the non-combatants at home, and by arousing an enemy mostly to be feared, ie, the desire for peace under any circumstances, render abortive the efforts of our soldiers in the field; we suggest that the editors of such papers be placed by the side of loyal men in the ranks, where, with an Enfield on their shoulders, they will be taught how our government should be supported.

6. Resolved, That we have read, with the greatest degree of interest, the thrilling resolutions passed by the Virginia soldiers in the field, in which they re-assert their devotion to the cause of independence, and that we re-echothe sterling music of their tone. As sons of Kentucky, the fairest daughter of Virginia, we intend to stand by the banner of the South—whether it waves in the sunght of victory or trail in the black shadow of defeat; and further Resolved, That a copy of these resolutions be sent to General Lee to be read to the Army of Virginia, thus assuring that noble band of men, that we will stand shoulder to shoulder with them in this war for right, justice and the priceless boon of liberty.

7. Resolved, That these resolutions be published in the Augusta Constitutionalist, and all editors friendly to the cause are requested

to copy the same.

The meeting then adjourned.

Lt. Col. GEORGE W. CONNOR, Chairman.

Capt. THOS. STEEL, Sergt. V. HUTCHEN, Sergt.
